

Certificate of Excipient GMP Conformance

GMP for Excipients

Vanderbilt Chemicals, LLC
396 Pella Way
Murray, KY 42071

The excipients certified are produced in substantial conformance to the NSF/IPEC/ANSI 363 - 2016: Good Manufacturing Practices (GMP) for Pharmaceutical Excipients from receipt of raw materials, processing, packaging, to warehousing and shipment to their customers.

This certificate applies to the following excipients:

Magnesium Aluminum Silicate NF

Purified Bentonite NF

Certificate Number: 00005
Recertification Date: 9 May 2018
Recertification Due Date: 9 May 2020

Signed on behalf of NSF-ECP

A handwritten signature in black ink, appearing to read "Maxine K. Fritz", is written over a faint background image of a hand holding a glass dish filled with various colored pills (pink, yellow, white, and orange).

Maxine K. Fritz
Executive Vice President

Revised January 18, 2019 to update Mark
