Certificate of Registration

R.L. Williams Company has achieved Registration status for Summit E2 Foaming E2 Hand Soap to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022) .

Summit E2 Foaming E2 Hand Soap

Category Code: E2

NSF Registration No. 173906

This product is acceptable for use as a hand washing and sanitizing compound (E2) for use in and around food processing areas. This product must be dispensed from adequate dispensers located a sufficient distance from the processing line to preclude accidental product contamination. The hands need not be washed prior to the use of this compound. After the use of the compound, the hands must be thoroughly rinsed with potable water.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
