Certified Date

08-JUL-2018

Expiration Date

The right to use the WaterMark in accordance with the AS5200.000 and the Building Code of Australia only in respect of the certified product as described as above. The License is granted subject to the rules governing the WaterMark Certification Scheme and the Terms and Conditions for WaterMark Certification. The WaterMark is a registered certification trademark of The Australian Building Code Board and is issued under license by NSF International. This certificate remains property of NSF International and must be returned upon request. To verify the validity of the information contained in this certificate, please refer to the NSF product listings website at www.nsf.org/info/listings or the JAS-ANZ register at www.jas-anz.org/register. Any change in material, manufacturing process, marking or design must first be approved by NSF International. Any changes made to the product without having first obtained the approval of NSF International, or any evidence of non-compliance with applicable Standards, Specifications or of inferior workmanship, may be deemed sufficient cause for revocation of this certification. Any alteration of this certificate could be grounds for revocation of this certification.
