RE: HCV-EU Registration – C0631280-0001

NSF has processed the Registration of the following products according to *the Guidelines for the HCV-EU program (HACCP Compliance Verification - EU)*:

ROTARY VANE PUMP

VP(1)M-(2)-(3)-(4)[1]

- [1] (1) 3 digits for flow rate
(2) 1 digit for seal material
(3) 1 digit for connection type (Gas, NPT...)
(4) 2 digits for special release, optional

The product will bear (a representation) of the mark below:

The HCV EU program is based on
- Regulation EC 1935/2004 (Framework regulation on materials and articles intended to come into contact with food) and related specific measures
- EN 1672-2 - Food processing machinery - Basic concepts - Part 2: Hygiene requirements

In order to confirm which applicable aspects of the HCV program were verified on the product(s), check the HCV-EU online registration listing on http://info.nsf.org/Certified/hcv_eu/index.asp.

HCV-EU Registration of this product is current when the Registration Mark is part of the approved product marking, and when the registered product's name is included in the above mentioned current HCV-EU online registration listing.

HCV-EU Registration is not an endorsement of the registered products, nor does it confirm full compliance to all national, regional or EU requirements that may be applicable for the particular product type.

Changes in the product or marking, without prior written consent of NSF, will void the registration, and will supersede the on-line listing.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ann Willems', with a long, sweeping underline.

Ann Willems
HCV-EU Program Manager

Company No. C0631280
Plant # C0631281
