Certificate of Registration

Performance Fluids Ltd. has achieved Registration status for Performance FG Fast Dry Electrical Cleaner to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022) .

Performance FG Fast Dry Electrical Cleaner

Category Code: K2

NSF Registration No. 150322

This product is acceptable for use as a solvent for cleaning electronic instruments and devices (K2), which will not tolerate aqueous cleaning solutions in and around food processing areas, where its use is not intended for direct food contact. Before using this compound, food products and packaging materials must be removed from the area or carefully protected. This compound must be used in a manner so that all odors associated with the compound are dissipated before food products or packaging materials are re-exposed in the area.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
