HK1 - WASHROOM CLEANER AND SANITIZER

Category Code: C2

NSF Registration No. 160933

This product is acceptable for use in toilets and/or dressing rooms of food processing establishments (C2) where edible products are neither processed or stored in open containers, provided that it is not used to mask odors resulting from unsanitary conditions, and that any characteristic odor or fragrance does not penetrate into an edible product area. If used on equipment that will be returned to a food processing area, the product must be completely washed off and rinsed with potable water before returning to the processing area.

This product is exclusively for sale and distribution outside the United States.

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
