## Certificate of Registration

Texile Rubber & Chemical Company DBA TRCC has achieved Registration status for Paragum 600 to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022) .

### Paragum 600

Category Code: EX

NSF Registration No. 161958

**This product is acceptable for use as an ingredient in hand care products to be used in and around food processing areas (EX). The acceptable use level will vary based on the ingredients in the remainder of the formulation. Most use levels generally used for the purpose in industry would be acceptable. Formulations containing NSF Registered ingredients are not considered to be NSF Registered products. A separate application is required for each final product. Formulators using NSF Registered ingredients need only identify the trade name, the NSF Registration Number, and concentration within the finished product on the application form.**

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ ([www.nsfwhitebook.org](http://www.nsfwhitebook.org)).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
