## Mida® Airfum

Category Code: P1

NSF Registration No. 162409

**This product is acceptable for use as a smoke disinfectant (P1), in and around food processing areas. The product must only be used in a manner as to ensure that it will have neither direct nor indirect contact with food or potable water. Use must also be consistent with the manufacturer's directions and warnings. The product must always be used according to applicable label directions and cannot be used in a manner that will expose humans or animals.**

This product is exclusively for sale and distribution outside the United States.

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
