Company No: C0040417

Carecoat HoldGuard

Category Code: R1

NSF Registration No. 164730

This product is acceptable as a Coating for use on food contact surfaces used in processing, transporting, or holding food products (R1), such as parts of machinery or equipment where meat or poultry would be in repeated or continuous contact.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
