Company No: 1C300

Hi-Temp Sealant

Category Code: S2

NSF Registration No. 165985

This product is acceptable for use as a sealant (S2) in and around food processing areas. This product must only be used in a manner as to ensure it will have neither direct nor indirect contact with food or potable water. Use must also be consistent with the manufacturer's directions and warnings.

This product is exclusively for sale and distribution outside the United States.

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
