NSF Nonfood Compounds
Registration Program

Company No: C0709961

EPO 60N

Category Code: C3

NSF Registration No. 166574

This product is acceptable for use as a paint remover (C3) for use in areas where edible products are neither processed nor stored in open containers. Equipment and utensils which directly contact edible products must be thoroughly cleaned and rinsed with potable water after treatment with such products before being returned to a processing area.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
