## Smartklenz

Category Code: E1

NSF Registration No. 167498

**This product is acceptable as a hand washing compound for use in official establishments operating under the Federal meat, poultry, shell egg grading, and egg products inspection programs (E1).**

**The compound must be dispensed from adequate dispensers located a sufficient distance from the processing line to preclude accidental product contamination. After the use of the compound, the hands must be thoroughly rinsed with potable water. Under condition of use, there can be no odor or fragrance left on the hands.**

This product is exclusively for sale and distribution outside the United States.

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
