Udderactive Post

Category Code: 5C

NSF Registration No. 167508

This product is acceptable for use as an udder wash (5C). A potable water rinse is required after use of this substance. Use must also be consistent with the manufacturer's directions and warnings.

This product is exclusively for sale and distribution outside the United States.

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
