Certificate of Registration

Kano Laboratories has achieved Registration status for Silikroil (aerosol) to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022) .

Silikroil (aerosol)

Category Code: H2

NSF Registration No. 167516

This product is acceptable as a lubricant where there is no possibility of food contact (H2) in and around food processing areas. Such compounds may be used as lubricants, release agents, or antirust films on equipment and machine parts in locations in which there is no possibility of the lubricant or lubricated part contacting edible products.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
