NSF Nonfood Compounds
Registration Program
Company No: C0188588

Certificate of Registration

TECHNIMA FRANCE SAS has achieved Registration status for Tracing Pro (white) to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022) .

Tracing Pro (white)

Category Code: P1

NSF Registration No. 168018

This product is acceptable for use as a paint for marking lines (P1) in food processing facilities. This product must only be used in such a manner as to ensure it will have neither direct nor indirect contact with food or potable water. Before using this product, food and packaging materials must be removed from the area or carefully protected. This compound must be used in a manner so that all odors associated with the compound are dissipated before food products or packaging materials are re-exposed in the area. Use must also be consistent with manufacturer's directions and warnings.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
