Solar Salt

Category Code: G1

NSF Registration No. 168058

This product is acceptable as a compound for the treatment of entire potable water systems (G1) in official establishments in and around food processing areas.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
