Certificate of Registration

Química Rosmar S.A. de C.V. has achieved Registration status for ROSMAR Citric Remover to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022)

ROSMAR Citric Remover

Category Code: P1

NSF Registration No. 168201

This product is acceptable for use as a gum remover (P1) in and around food processing areas. The product must only be used in a manner as to ensure it will have neither direct nor indirect contact with food or potable water. Wiping with a sanitary pad is required following use in food processing areas. These compounds must be used in a manner so that all odors associated with the compound are dissipated before food products or packaging materials are re-exposed in the area. Use must also be consistent with the manufacturer's directions and warnings.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
