Company No: N01366

Certificate of Registration

American Polywater Corporation has achieved Registration status for Polywater FST Foam Duct Sealant to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022) .

Polywater FST Foam Duct Sealant

Category Code: S2

NSF Registration No. 168800

This product is acceptable for use as a sealant (S2) in and around food processing areas. This product must only be used in a manner as to ensure it will have neither direct nor indirect contact with food or potable water. Use must also be consistent with the manufacturer's directions and warnings.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
