## Anchor 3810 Tab Lube

Category Code: U1

NSF Registration No. 170073

**This product is acceptable for use as a surface lubricant used in the manufacture of metallic articles that contact food (U1) as described in 21 CFR 178.3910. The amount used should be the minimum required to accomplish the desired technical effect and shall not accomplish any technical effect in the food itself. The NSF Nonfood Compounds Registration Program is a continuation of the USDA product approval and listing program, which is based on meeting regulatory requirements including FDA 21 CFR for appropriate use, ingredient and labeling review.**

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ ([www.nsfwhitebook.org](http://www.nsfwhitebook.org)).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
