Certificate of Registration

Instant Power Corporation has achieved Registration status for Instant Power Professional Urine Salt Dissolver to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022) .

Instant Power Professional Urine Salt Dissolver

Category Code: C2

NSF Registration No. 170666

This product is acceptable for use in toilets and/or dressing rooms of food processing establishments (C2) where edible products are neither processed or stored in open containers, provided that it is not used to mask odors resulting from unsanitary conditions, and that any characteristic odor or fragrance does not penetrate into an edible product area. If used on equipment that will be returned to a food processing area, the product must be completely washed off and rinsed with potable water before returning to the processing area.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
