NSF Nonfood Compounds
Registration Program
Company No: C0079526

Certificate of Registration

Douglas Products and Packaging Co., LLC has achieved Registration status for HTF PRO Heat Transfer Fluid to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022) .

HTF PRO Heat Transfer Fluid

Category Code: HT1, HT2

NSF Registration No. 170788

This product is acceptable for use as a heat transfer fluid where there is possibility of incidental food contact (HT1). The amount used should be the minimum required to accomplish the desired technical effect. The NSF Nonfood Compounds Registration Program is a continuation of the USDA product approval and listing program, which is based on meeting regulatory requirements including FDA 21 CFR for appropriate use, ingredient and labeling review.

This product is acceptable for use as a heat transfer fluid where there is no possibility of food contact (HT2). The amount used should be the minimum required to accomplish the desired technical effect.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
