Certificate of Registration

Old World Industries LLC has achieved Registration status for Thermal Charge PG Pink Concentrate Heat Transfer Fluid to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022) .

Thermal Charge PG Pink Concentrate Heat Transfer Fluid

Category Code: HT1

NSF Registration No. 170962

This product is acceptable for use as a heat transfer fluid where there is possibility of incidental food contact (HT1). The amount used should be the minimum required to accomplish the desired technical effect. The NSF Nonfood Compounds Registration Program is a continuation of the USDA product approval and listing program, which is based on meeting regulatory requirements including FDA 21 CFR for appropriate use, ingredient and labeling review.

This product is not registered for use in the United States of America.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
