Certificate of Registration

Rhone Chimie Industrie has achieved Registration status for TOUBIFLEX ZP PARTIE A to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022) .

TOUBIFLEX ZP PARTIE A

Category Code: S4

NSF Registration No. 171285

This product is acceptable for use as an adhesive (S4) in and around food processing areas. The product must only be used in such a manner as to ensure it will have neither direct nor indirect contact with food or potable water. Before using this compound, food products and packaging materials must be removed from the area or carefully protected. This compound must be used in a manner so that all odors associated with the compound are dissipated before food products or packaging materials are re-exposed in the area. Use must also be consistent with the manufacturer's directions and warnings.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
