Certificate of Registration

Water Depot has achieved Registration status for Water Depot Solar Salt to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022) .

Water Depot Solar Salt

Category Code: G1

NSF Registration No. 171470

This product is acceptable as a compound for the treatment of entire potable water systems (G1) in official establishments in and around food processing areas.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
