Certificate of Registration

Sprayway, Inc. has achieved Registration status for Sprayway Pro Line Stainless Steel Cleaner & Polish to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022) .

Sprayway Pro Line Stainless Steel Cleaner & Polish

Category Code: A7

NSF Registration No. 172100

This product is acceptable as a metal cleaner and polisher for nonfood contact surfaces (A7) in and around food processing areas. All food products and packaging materials shall be removed or carefully protected prior to usage. This compound must be used in a manner so that all odors associated with the compound are dissipated before food products or packaging materials are re-exposed in the area.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
