Certificate of Registration

Multitask Industries has achieved Registration status for Multitask Multileak to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022) .

Multitask Multileak

Category Code: P1

NSF Registration No. 172882

This product is acceptable for use as a leak detector (P1) in and around food processing areas. The product must only be used in such a manner as to ensure it will have neither direct nor indirect contact with food or potable water. Use must also be consistent with the manufacturer's directions and warnings.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
