Sani Rinse

Category Code: N1

NSF Registration No. 173236

This product is acceptable for use as a drying agent for use in and around food processing areas. The compound must be used in conjunction with an EPA registered sanitizer.

This product is not registered for use in the United States of America.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (nswwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
