Registration Program
Company No: N13881

ACIDO LACTICO 88% FCC

Category Code: 5C

NSF Registration No. 174036

This product is acceptable for use as an antimicrobial agent (5C) in the production of meat and poultry carcasses, parts, trim and organs. Use must be consistent with the manufacturer's directions and warnings.

This product is not registered for use in the United States of America.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
