Certificate of Registration

CRC Industries U.K. Ltd., Ambersil has achieved Registration status for Ambersil Leak Detector to the NSF International Registration Guidelines for Proprietary Substances and Nonfood Compounds (2022) .

Ambersil Leak Detector

Category Code: P1

NSF Registration No. 175307

This product is acceptable for use in detecting cracks, porosites or other leaks in containers (P1) in and around food processing areas. The product must only be used in a manner as to ensure it will have neither direct nor indirect contact with food or potable water. The product must only be used in a manner consistent with the manufacturer's labeling and use instructions.

Registration of this product is current when the NSF Registration Mark and Category Code appear on the product label reviewed by NSF, and the Registered product name is in the NSF White Book™ (www.nsfwhitebook.org).

Listing of all registered nonfood compounds by NSF International is not an endorsement of those compounds or of any performance or efficacy claims made by the manufacturer.
